2011-2020 Allocation of Affordable Housing Need

Current as of July 2016

The Allocation of Affordable Housing Need presented in this table is based on forecasts completed for the 2030 Regional Development Framework adopted in January 2004. As communities submitted formal changes to their comprehensive plan in the past decade, the number of affordable units was updated with any changes to 2010 or 2020 forecasts. However, with the adoption of the new regional development guide, Thrive MSP 2040 (May 2014), no further revisions to these numbers will be made. The 2021-2030 Allocation of Affordable Housing Need numbers and methodology was released in 2015.
