Transportation Issues and Challenges

Transportation Goals and Objectives

Transportation System Stewardship

Sustainable investments in the transportation system are protected by strategically preserving, maintaining, and operating system assets.

Safety and Security

The regional transportation system is safe and secure for all users.

Access to Destinations

People and businesses prosper by using a reliable, affordable, and efficient multimodal transportation system that connects them to destinations throughout the region and beyond.

Competitive Economy

The regional transportation system supports the economic competitiveness and vitality of the region and state.

Healthy Environment

The regional transportation system advances equity and contributes to communities' livability and sustainability while protecting the natural, cultural, and developed environments.

Leveraging Transportation Investment to Guide Land Use

The region leverages transportation investments to guide land use and development patterns that advance the regional vision of stewardship, prosperity, livability, equity, and sustainability.

How can I get involved in the Transportation Policy Plan?

Opportunities
for your input

* **Metropolitan Council-members** represent 16 districts in the region. They are appointed by the Governor to bring their district's concerns to the Met Council. Find out who your Councilmember is and contact them regarding your transportation concerns: www.metrocouncil.org/CouncilMembers

** **The Transportation Advisory Board (TAB)** was created by the state legislature in 1974 to assure that the region is meeting state and federal requirements for transportation funding, planning, and programming. TAB members include citizens, county representatives, Met Council council members, and other agency representatives. The TAB meets the third Wednesday of each month at 12:30 p.m. in the Council Chambers and all meetings are open to the public.

Find out more about the TAB here www.metrocouncil.org/TAB

Current TAB members and their affiliations are here www.metrocouncil.org/TABstaff

All Met Council standing and advisory committees are open to the public, including committees on community development, water supply, and environment. Information on each committee can be found here www.metrocouncil.org/Committees

Updates on the TPP and TPP events are here <http://www.metrocouncil.org/TPP-update>

Thank you for your participation.
