

Crews will have the project site cleaned up by noon on Friday, May 26 for the holiday weekend. Construction activities will resume at 7 a.m. on Tuesday, May 30.

Pipe installation begins the week of May 30 in Victoria

Over the last few weeks, crews have been preparing the site to install the sanitary sewer pipe along the south side of Highway 5. Next week crews will begin installing the pipe from just west of Victoria Drive (County Road 11) to just east of the Lake Minnetonka LRT Regional Trail. Pipe installation will continue through the summer.

Other projects in the area

The City of Victoria began making improvements to Steiger Lake Lane from Highway 5 to the existing bridge on the west side of downtown Victoria.

More information is available on the project website www.ci.victoria.mn.us/stiegerlakelanelwest. Please contact Jeremy Stalcar, the Construction Observer, by phone: 952-491-0083 or email: stalcar@focusengineeringinc.com, with any questions or concerns.

Work continues at the lift station and along Highway 7 in Minnetonka

Crews are working on coating the sanitary sewer structures along Highway 7 in Minnetonka and installing one of the three remaining underground structures at the lift station near the intersection of Highway 7 and Highland Road. Activities along Highway 7 will continue through the fall 2023; work at the lift station is anticipated to continue through next year.

Safety advisory:

Travelers should pay extra attention as crews will be moving equipment and materials around the area.

Construction activities and schedules are subject to change due to weather and other unforeseen circumstances
