

# Metropolitan Area Water Supply Advisory Committee

## **State Water Plan, U of M Sustainability Framework, Interagency Coordination**

October 28, 2010

**Chris Elvrum**  
**Manager, Water Supply Planning**

# State Water Plan

---

- **Collaboration of State Agencies led by Environmental Quality Board**
- **Metropolitan Council required to report on findings, recommendations and activities in Plan – Appendix D**
- **Public comment received during September**
- **Approval expected at November EQB meeting**

# U of M Water Sustainability Framework

- **Required by Minnesota Legislature – Clean Water Fund Appropriation**
- **Developed with analysis and input from multiple stakeholders**
- **Public review in November**
- **Due to Legislature January 15, 2011**
- **Serve as a ‘roadmap’ with recommendations to protect and preserve Minnesota’s waters**
