1. Welcome:

Brief welcome by Lori Fritts, Co-Chair Business Advisory Committee. BAC members reviewed the meeting minutes.

2. Project Reports and Updates

Robin Caufman, Manager of Public Involvement for the project, gave an update on the activities related to University Avenue design issues and on-street parking impact.

Ms. Caufman, also reviewed the process of station design and incorporating public art. She asked for feedback on how involved the BAC wanted to be on station design and art issues. BAC members expressed interest in having updates on the station design process and an opportunity to discuss items that impact businesses such as safety, security etc... Mr. Fesser and Ms. McClung, as well as several other BAC members expressed interest in participating in the public art process later this summer.

Ms. Caufman also reviewed the purpose of a series of public hearing and meetings that will be held in May and June related to the municipal consent process. More details about the meeting dates, times and locations to follow.

Dan Soler, Traffic Engineer presented t

1.

Discussion around identifying how on-street parking will be impacted. BAC members had the following comments and questions:

5:30 meeting adjourned
